

The Borough of Manasquan has transitioned to a [new notification system](#) in order to enhance our ability to get the right information to the right people in a timely manner. You will no longer receive alerts through the legacy system.

The new notification system has the ability to send out alerts via:

- *Phone*
- *Text*
- *Email*
- *AlertMe app (iOS & Android - Registration Code MANASQUAN)*

The new system allows messaging to be sent to specific geographical areas in Manasquan, ie: evacuation zones, road closures, construction advisories, etc. For this reason, all subscribers are requested to provide both a phone number and physical address when enrolling.

We ask that you register as a new user at www.manasquan-nj.gov/Alerts and update your contact information as well as select which of the following alerts you would like to receive. Please ensure "Email", "Text" & "Voice" are checked in order to ensure you have the ability to receive critical emergency evacuation alerts. You will be able to select individual alert preferences for each category that you choose to enroll in.

Residents can enroll in any or all of the following categories:

- **Emergency Alerts:** This includes high priority emergency notifications from the Office of Emergency Management (evacuation orders, critical notifications, emergency information). Subscribers are strongly urged to activate email, text and phone alerts for this subscription in order to ensure that critical emergency messages are not missed.
- **Borough News, Bulletins & Events:** This includes all general information from the Borough including news and upcoming events, meeting information, fundraisers as well as information from various municipal departments and groups, including construction/code, finance, environmental, tourism, shade tree, etc.
- **Weather Alerts:** This includes hazardous weather advisories issued for Manasquan by the National Weather Service.
- **Coastal Flood Warnings:** This includes alerts from Stevens Flood Advisory system (provides up to 4 day notice of expected flood conditions in Manasquan) as well as coastal flood alerts from the National Weather Service.
- **Traffic Advisories:** This includes notices of road & bridge closures, construction detours, and special events.
- **Law Enforcement Alerts:** This includes alerts from the Manasquan Police Department.
- **Beach Information:** This includes beach and ocean conditions, activities and events.

- **Public Works / Recycling:** This includes information on recycling, garbage, leaf pick-up, fire hydrant flushing, etc. from our Public Works Department.
- **Recreation Information:** This includes news, activities and events related to recreation.
- **Realtor / Landlord Information:** Seasonal information for our realtor and landlords only.
- **Water Leak Notifications:** This program allows residents and businesses to be notified in the event that a water leak alert (broken pipe, leaking valve, fixture, etc.) has been activated at their address.

Please visit www.manasquan-nj.gov/Alerts to enroll in Manasquan's Notification System today!

If you have any questions or comments regarding the new notification system, please feel free to contact Barbara Ilaria, Municipal Clerk at barbaria@manasquan-nj.gov.
